

CERTIFICATE

**POND
SECURITY**

Certification of security services according to the series of standards DIN 77200

DEKRA Certification GmbH hereby certifies that the head office is certified for the following security services.

Pond Security Werkschutz GmbH

Rückinger Straße 12, 63526 Erlensee, Germany

Security services certified for the above location:

Stationary security services - alarm service, reception service, control service
Mobile security services - control service, area service, intervention service

As part of the certification audit Report no. A25041079-1 proof was provided that the requirements for security service providers based on DIN 77200-1:2022-10 are met.

Certificate Registration No:	421225001/1
Validity of previous certificate:	22.07.2025
Certificate valid from:	23.07.2025
Certificate valid until:	22.07.2028

Certification is based on DIN 77200-1:2022-10; DIN 77200-3:2020-07; DIN EN ISO/IEC 17065:2013-01.

The certificate only covers certification within the specified scope.

The current validity can be verified at www.dekra-certification.de. The certificate may only be reproduced and advertised unchanged and with all attachments. Advertising with the certificate must correctly reflect the content and must not be done in an anti-competitive manner.
